Mr. Jena C. Collier,

Barnesville, Ga.,

Dear Sir:

Your letter of June 3rd addressed to Miss Eula Evans, Brenau College, Gainesville, Ga., has been forwarded here in my care. Miss Eula is a sister of mine and her health is such that I am answering your letter in her stead. My Mother was a sister of your grand father Robert Marshall Collier. Her maiden name was Frances Elizabeth Collier. My father's name was John Quincy Evans. I have a copy of the record of heirship of my great grand father, Robert Collier. I presume you have that.

I will get up the data you ask

for and send it to you. I am very glad to know that you are compiling a history of the family. For a short history of myself I refer you to "Who is Who in America".

Uncle William Collier died when I was a boy. He was living at the time of his death at Wynnton, Ga. then a suburb, now a part of Columbus, Ga. I presume he was buried there. You can find out all about him from Mrs. Minnie R. Wiley, Atlanta, Ga. Her mother was a niece of uncle William's wife and was adopted and reared by uncle William.

Yours very truly,

A. A. Evans.
